

Practical course in satellite oceanography:

Session 0\

[Getting started](#) (setup, copying data files)

Session 1\

[Basics of satellite image analysis](#)

Links to [Basics of Digital Image Analysis](#) and [Practical Exercises with WIM and WAM](#) (Exercises 3.1-3.15, 3.17)

Session 2\

[Exercises with Level-2 satellite data](#)

Links to [Practical Exercises with WIM and WAM](#) (Exercises 3.17, 4.1,)

Session 3\

[Time series with L3 ocean color data](#)

Session 4\

[Detection of change, Validation of satellite data](#)
